

Rainna:

Recent Achievements

- Delivered multiple Make & Mingle with Rainna and Reach Out to Rainna sessions across both Cardiff and Swansea campuses; all fully booked, significantly supporting student wellbeing and social connection.
- Actively contributed to Voice Reps training and bootcamps, strengthening communication, trust, and feedback channels with student reps.

Additional Highlights

- Cardiff Reach Out to Rainna gathered 11 feedback forms; students needing help were referred to appropriate staff.
- Campus Needs Survey received 46 responses, with strong demand for vending machines; feedback has been shared twice with Student Services and awaits updates.
- Issues raised during the 18 Nov GOAT/GOAL session have been passed to Estates & Facilities and the Voice Team, who are now following up with students.
- After ongoing discussions, Cardiff campus will set up a Food Bank point next term to support students experiencing food insecurity.
- Swansea Campus: In response to student needs, active collaboration with the Career Service has been initiated to help students access more part-time job opportunities.

Plans for the Coming Months

- Review Voice Reps training and SSCs to assess effectiveness and identify improvements.
- Work with the Doctoral College to establish PGR course reps and strengthen postgraduate feedback mechanisms.
- Continue expanding GIAG Make & Mingle with Rainna workshops to promote community building and wellbeing support.
